DON'T GET A DIVORCE.
A western judge granted a divorce on account of ill temper and bad breath. Dr. King's New Life Pills would have prevented it. They cure Constipation, causing bad breath and Liver Trouble, the ill temper, discolored skin, banish headaches, conquer chills. 25c at all druggists.

MANY LEPROS IN CUBA.
HEALTH SECRETARY OF ISLAND SAYS HUNDREDS WANDERING ABOUT UNRESTRICTED.

Chicago, June 28. — Hundreds of persons suffering with leprosy are allowed to wander unrestricted through the islands of Cuba, according to a statement just issued by Dr. Matthias de Que, secretary of health and charities of the island. The statement was given out in Chicago by L. Vallin, Cuban consul in Chicago. It tells of the phenomenal success of the Cuban government in suppressing the diseases of yellow fever, malaria and the like. Similar steps are to be taken at once for the suppression of leprosy and tuberculosis. "There is one problem of great importance to us which we often look upon with unpardonable neglect—the matter of leprosy," says the bulletin. "We have no exact statistics concerning the number of cases which actually exist, but they are considerable and the lepers who wander about the island freely may be reckoned by hundreds."

HARRY THAW SCORES A POINT

White Plains, N. Y., July 6. — Counsel for Harry Thaw today scored a partial victory in the hearing to determine his sanity before Justice Mills, by obtaining from the court an order removing Thaw from Matteawan and placing him in custody of the sheriff of White Plains until the hearing is concluded.

The hearing adjourned until Monday, when both sides will submit expert testimony.

The Orange City News

Editor

DEATH OF BEN ROBINSON.
We are sorry to hear of the sad news of the death of Mr. E. B. Robinson, only son of Dr. E. T. Robinson, formerly of this place, now of Vashon, Wash., near Seattle. Ben as he was always called here, came to Orange City with his parents when he was but a small boy. He grew to young manhood here, and became a telegraph operator, which he followed as a profession here, at Port Orange and Savannah, Ga., until his health failed. He had been troubled for several years with bronchitis; always had more or less of a cough. When at last he had to give up, he went to Grand Junction, Colo., for his health. There he passed away June 19, of bronchial consumption. Ben was a good, exemplary young man of no bad habits that we ever heard of. He was respected and liked by all who knew him and all Orange City join in sympathy for his father, Dr. E. T. Robinson. This is a terrible blow to him.

Mrs. Nellie Andrews went home with her niece, Mrs. Nellie Terwilliger, of Sanford, on Friday. Mrs. Terwilliger and children had been to Coronado Beach for the past month and stopped over one train with her grandmother, Mrs. J. F. Leavitt. Mrs. Andrews spent the 4th in Sanford.

Mrs. Botts and two children, of West Palm Beach, called on friends in Orange City while waiting for her train on last Thursday.

We've been having some rain here, for the 48 hours following Friday morning, July 2, about 12 inches of water fell. What a nice time people would have about now trying to live and make a home in the flat woods. Wouldn't they?

A PLEASANT FOURTH.

The Fourth passed off very pleasantly in Orange City. We had a basket picnic at the school house park, about 100 people present. We had a fine dinner, then delicious ice cream, cake and watermelons. The watermelons were furnished by Mr. George Dozier. There was a program, consisting of prayer by Rev. Halliday, singing of Columbia and reading of Declaration of Independence by Rev. Ketchum, singing America, an address by Mr. Hood, singing of Star Spangled Banner, a short talk by Mr. Conway, a balloon ascension, sent up by Charles Martin, which was very pretty, it being red, white and blue in colors. Last but not least, singing of "Dixie," which was entered into with spirit by all. Then all the married men played the single men. It was a good game and closely contested, but the boys came out ahead—7 to 9. No rain all day. All went home feeling they had an exceedingly enjoyable day.

A FIEND FOILED.

We were a good deal startled Tuesday morning when it was reported that one Tom Jones (colored) had entered the section boss' house at the Junction, and tried to assault Mr. Perritt's wife. She

grabbed a gun that she had there and fired twice at him and he took to the woods. He went to his father-in-law's house and told him what he had done. Said he would have to get out of the country, but wanted to see his wife before he went. Her brother then started out to find his wife and met the sheriff looking for Jones. He told the sheriff where he could find him and the sheriff soon had Jones safely behind the bars in DeLand. The regular business meeting of the Cemetery Association was held with Mrs. Helen Freeman Tuesday at 3 o'clock. They did quite a little business and adjourned to meet at the same time and same place October 1.

Mrs. Nellie Andrews returned from Sanford Tuesday noon.

Mrs. Ryland had a cousin call on her Monday that she had not seen for twenty-five years—Mr. Joseph Randle, of Columbia, Miss. He is a traveling man for a grist mill in Arkansas, sells only by the car load. He left Tuesday.

Mr. Conway came in from Winter Park Monday noon, just in time for the picnic dinner. He had preached to the Winter Park people Sunday morning.

Mr. Wm. Laws came in Tuesday evening from Hendersonville, N. C., where he has built a home this summer, and his family are staying there for a few months. He will return soon.

Dr. Frances Dickinson is moving into her cottage this week, on Volusia avenue, known as the Crenshaw cottage.

A BEAUTIFUL SENTIMENT

The following beautiful sentiment is from the pen of that gifted editor and the present United States Senator, Bob Taylor: "I would rather fill my purse with money and keep its gates ajar to my happy girls while they linger under my roof than to clutch it with a miser's hand until all the harpstrings of youth are broken and all its music fled forever. I would rather spend my last nickel for a bag of striped marbles to gladden the hearts of my barefooted boys than to deny them their childish pleasures and leave them a bag of gold to quarrel over when I am dead. I abhor the pitiless hawk that circles in the air, only to swoop down and strangle the song of the linnets or bury its talons in the heart of a dove. I despise the soulless man whose greed for gold impels him to strangle the laughter and song of his own family."

CONGRESSMAN COX ISSUED FOR DIVORCE

Dayton, O., July 6. —In a petition charging extreme cruelty, Congressman James M. Cox, of the Third Ohio congressional district, is made defendant in a divorce suit filed by his wife late today.

The petition and the accompanying allegation, is stated, were drawn by Mrs. Cox herself.

"My Young Sister"

writes Mrs. Mary Hudson, of Eastman, Miss., "took my advice, which was, to take Cardui. She was staying with me and was in terrible misery, but Cardui helped her at once."

TAKE CARDUI

It Will Help You

"Last spring," Mrs. Hudson continues, "I was in a rack of pain. The doctor did no good, so I began to take Cardui. The first dose helped me. Now I am in better health than in three years."

Every girl and woman needs Cardui, to cure irregularity, falling feelings, headache, backache and similar female troubles. Cardui is safe, reliable, scientific. Try Cardui.

John B. Stetson University

A SCHOOL FOR ALL DENOMINATIONS

COLLEGE OF LIBERAL ARTS—English Language and Literature; Latin, Greek, German, French, Spanish, Mathematics, Chemistry, Physics, Mechanic Arts, History, Philosophy, Pedagogy, Political Economy, Biology, Geology, Physical Culture, Etc. In 1897, Stetson adopted the same requirements for admission and graduation that were held by the University of Chicago, and the two were affiliated by increasing the teaching force and by offering a two years' and a three years' course of study.

COLLEGE OF TECHNOLOGY—Civil, Electrical, Mechanical and Chemical Engineering courses leading to degrees.

COLLEGE FOR TEACHERS—A College course for teachers leading to a degree; a **NORMAL SCHOOL** for Florida school teachers; model schools in all the grades of the Public School, special emphasis being put on the 7th and 8th grades; Kindergarten training school in separate building.

THE ACADEMY—Classical, Latin Scientific and Scientific courses in preparation for College. Stetson is especially strong in this work. Its students have gone to Harvard, Yale, Princeton, Cornell, Michigan and Chicago.

BUSINESS COLLEGE—Banking in all of its branches. Bookkeeping by best methods. Shorthand and Typewriting. Elective courses open in other Departments. Large Faculty and commodious building.

SCHOOL OF MECHANIC ARTS—Woodworking, Iron Working and Manual Training.

SCHOOL OF FINE ARTS—Drawing in Charcoal and Ink; Painting in Oil, Water Color and Pastel; New Studio, Costly Casts, Models, Etc.

SCHOOL OF MUSIC—A \$10,000.00 pipe organ, 25 pianos, separate building, large faculty, thorough courses; opportunities of hearing oratorios.

Stetson has a faculty of 48 professors and teachers. They hold degrees from the University of Chicago, Harvard, Yale, Columbia, Toronto, Wake Forest, Louisville, Bowdoin, Utrecht, Bucknell, University of Michigan, Dennison, Arkansas, Kalamazoo, Baltimore and other institutions. There are over \$200,000.00 in buildings and equipment; nearly a quarter million dollar endowment; an endowed library of over 13,000 volumes; a beautiful chapel with costly stained glass windows, 7 oil paintings, a \$10,000.00 pipe organ; a Gymnasium with complete apparatus; an enclosed Athletic Field, running track, tennis courts, baseball diamond and gridiron, besides swimming pool, rowing and other sports, separate buildings for men and women; ten large laboratories for Chemistry, Physics, Bacteriology, Mineralogy and Biology; several large museums and shops; electric light, electric bells, steam heat, cement walks, shell roads, broad avenues, spacious campus, shrubbery and trees; social, literary, musical and other students' clubs; star lecture courses; Christian and no sectarian teaching. The location is beautiful and healthful, and the expenses are low.

For catalog, views, folders and information, address the President.

LINCOLN HULLEY, Ph.D., Litt.D., LL.D., DeLand, Florida.
